Preliminary general purpose revenue (GPR) tax collections for fiscal year 2009-10 totaled \$12,131.7 million. This is within 1/100th of 1% the Legislative Fiscal Bureau (LFB) January 2010 revenue estimates.

These are unaudited figures subject to final review by the State Controller's Office prior to the publication of the Department of Administration's Annual Fiscal Report to be released October 15, 2010. Additionally, the Legislative Audit Bureau performs an audit of the State's Comprehensive Annual Financial Report which is published in December of each year. These collections do not offer guidance on the budget balance for FY10. Other general purpose revenues and the final general purpose revenue expenditures will have substantial bearing on the final budget balance.
