Form AB-312 Instructions

Manufacturer/Rectifier Permit Application

Who needs this permit?

Any person who distills intoxicating liquor in Wisconsin needs a manufacturer's permit. Any person who bottles, mixes, refines, or purifies intoxicating liquor in Wisconsin needs a rectifiers permit. See <u>Fact Sheet 3114</u> for information on this permit.

Fee calculation

- The Business Tax Registration fee of \$20 is owed if the applicant has never registered with the Department of Revenue (DOR). No fee is due if the applicant is currently registered.
- The permit fee for a manufacturer or rectifier permit is \$1,000 for a 2-year period.
 - If this 2-year cycle has already started due to an existing permit, a portion of the fee may be prorated and refunded.
- The background check fee is \$7 for each sole proprietor, partner, officer, director, member, manager, and agent.
 - This fee is non-refundable.
 - If submitting multiple alcohol beverage permit applications, pay this fee only once per person.
- Submit all applicable fees above with the permit application documents.

Part A: Business Information

- Question 1: List the legal name of the entity seeking the permit. This should be the entity that will take the actions allowed by the permit.
- · Question 2: (Optional)
- Question 3: List the social security number if applicant is an individual person.
- Question 4: (if applicable) an applicant who does not make retail sales of alcohol beverages is not required to hold a seller's permit.

- Question 13-18: List the street address for the location where the applicant wants the permit to be issued. P.O. boxes are not acceptable.
- Question 19-21: List the contact information DOR should use to contact this specific location, rather than a corporate contact.
- Question 22: Describe the building or buildings and any outside areas where alcohol beverages are produced, sold, stored,
 or consumed and related records are kept. Describe all rooms within the building, including living quarters. Authorized
 alcohol beverage activities and storage of records may occur only on the premises described in this application. Attach a
 map or diagram and additional sheets if necessary.

Example: The premises is located at 1234 Main St., Realtown, WI, 12345, and includes only the production facility, canning line, first-floor tasting room, dining room, kitchen, north storage room, and south office of the 10,000 square foot building.

- Questions 24-26: complete these fields if the applicant rents the premises from another property owner.
- Questions 27-30: (Optional) If mail should be delivered to an address other than the premises address, list that address
 here. P.O. boxes are acceptable.

Part B: Criminal History Questions

Charges and convictions, including felony convictions, are not automatic disqualifiers to alcohol beverage permitting.
 Provide as much information as possible about any conviction or charge listed.

Note: Subject to the Wisconsin Fair Employment Law (Ch. 111, Wis. Stats.), persons with convictions or pending charges may, if those offenses are sufficiently relevant, be prohibited from holding alcohol beverage license and permits under sec. 125.04(5)(a)(1), Wis. Stats. See the Department of Revenue's <u>Permit Predetermination Common Questions</u> for offenses that may prevent someone from holding a permit.

Part C: Persons Affiliated With Business

- Question 1: Describe if the applicant entity is owned, in whole or in part, by another entity that is not an individual person, such as an LLC or corporation. Attach an ownership tree if there are multiple ownership layers to describe.
- Question 2: Other related individuals or entities include managers and supervisors who are involved in day-to-day operations of the business.
- Question 3: Examples for title field include sole proprietor, partner, president, CEO, LLC member, etc.

Part D: Interest Restriction Questions

- Question 1: Indicate if the applicant distributor permit (wholesaler permits issued by DAB) or retail license (bars, convenience stores, grocery stores).
- Question 4: See DAB's website for additional forms, including AB-104a or AB-104b.

Part E: Other Questions

- Question 2: Provide information on any production agreements that are currently active or will be executed in the future.
 - List the legal name and WI permit number for the other party in the applicant's agreement. Out-of-state parties may not have a WI permit number.
 - Provide the physical address where the alcohol beverages produced under this agreement will be made. This may be more than one location

Part F: Security Calculation and Payment Method

- Question 1: All applicants for this permit type must post security in order to qualify. Choose 1 of the 3 methods listed to satisfy this requirement.
- Question 2: If the applicant already has an alcohol beverage permit of the same tax type as this application (fermented malt beverages vs. intoxicating liquor) that security could be used to satisfy the security requirement of this application. If the applicant does not already have security posted with the division, new security is needed.
- Question 3: Estimate the applicant's monthly tax liability by estimating taxable volume and multiplying it by the applicable tax rate(s) below:

Alcohol Beverage Tax Type	Tax Rate per liter	Administrative fee per liter
Intoxicating Liquor	85.86¢	2.906¢
Wine ≤ 14% ABV	6.605¢	
Wine > 14% ABV ≤ 21 %	11.89¢	
Cider ≤ 7% ABV	1.71¢	

• Question 4: The amount of security must be twice the applicant's estimated monthly tax liability, but not less than \$1,000 nor more than \$100.000.

Example: If the estimated monthly tax liability is \$200, enter \$1,000 because twice the estimated monthly liability is less than the minimum of $$1,000 ($200 \times 2 = $400 < $1,000)$.

• Question 5: If surety bond is selected in question 1, list the bond number provided by the insurance carrier.

Part G: Contact Person

• Provide contact information for the person the division should contact with questions on this permit application. This could be an owner, employee, attorney, or other representative.

Part H: Attestation

• Read the attestation carefully, then sign and date.
