# CT-121S Instructions – Wisconsin Combined Cigarette and Use Tax Return

#### **Due Date**

Report due on or before 15 days from the date cigarettes were acquired for use in Wisconsin without paying Wisconsin cigarette tax.

#### Filing Method

This form can be filed by mailing a completed form to the mailing address below. A fill-in form is located at <a href="https://www.revenue.wi.gov/dorforms/ct-121sf.pdf">https://www.revenue.wi.gov/dorforms/ct-121sf.pdf</a>.

## **SECTION A – Schedule of Cigarette Purchases**

List all cigarette purchases where the Wisconsin cigarette tax was not paid. Wisconsin cigarette tax paid is evidenced by the Wisconsin tax stamp affixed to each pack of cigarettes sold by licensed Wisconsin retailers and permitted wholesalers. Unstamped cigarettes, *including cigarettes with another state's stamp affixed*, are subject to the Wisconsin cigarette tax under sec. 139.33, Wis. Stats. On the totals line, enter the totals for columns (2) and (5) from Section A and any additional sheets included with this return.

## **SECTION B – Computation of Cigarette and Use Taxes**

**Line 1.** Number of Cartons Purchased – Enter the total number of cartons purchased where the Wisconsin cigarette tax was not paid, Section A, column (3) total.

**Line 4.** Cigarette Tax Late Filing Interest—If tax is not paid by the due date, interest is due at the rate of 1.5% per month on the tax shown on Line 3 from the due date to the date the tax is paid. Calculate and enter the late filing interest on Line 4.

Line 3 x 0.015 divided by 30 (days in a month) multiplied by number of days late = Late Interest

**Line 7.** Use Tax Rate – From Table 1 at right, print the name of the Wisconsin county where the cigarettes are stored (generally where received). Convert the corresponding use tax percentage to a decimal, for example 5.5% is 0.055, and enter on line 7. Use tax imposed under sec. 77.53, Wis. Stats.

**Line 9.** Use Tax Late Filing Interest – For individuals, if tax is not paid by April 15th, interest is due at the rate of 1.5% per month on the tax on Line 8 from the due date of the return to the date the tax is paid. Calculate and enter the interest due on Line 9.

Line 10 x 0.015 divided by 30 (days in a month) multiplied by number of days late = Late Interest.

**Line 10.** Use Tax Late Filing Fee – Returns filed after the due date are subject to a \$20 late filing fee (for individuals, the due date is April 15th). Enter the late filing fee if due on Line 10.

**Line 12.** Total Amount Due – Enter total of lines 5 and 11. Pay this amount. Make check or money order payable to the Wisconsin Department of Revenue.

Sign and Date Your Return – Sign and date the return.

**Payment** – make check payable to Wisconsin Department of Revenue.
