Investment and Local Impact Fund Board

This serves as public notice that on May 15, 2015 the Investment and Local Impact Fund Board ("Board") determined it will distribute mining-related discretionary grants under the Discretionary Payment Program in 2015.

The Board set the funding ceiling at \$205,000 for this year's applications. The Board has the authority to disburse these funds under sec. 70.395(2)(g), Wis. Stats. (2013-14). If you are submitting a discretionary grant application to the Board, it must be postmarked on or before July 31, 2015, in order to be considered. Each application must be supported by a resolution from the appropriate local governing body or bodies. The supporting resolution(s) may be sent separately from the application, but must be postmarked on or before August 31, 2015. Program guidelines and other application materials are available online at www.revenue.wi.gov/ILIFBoard.

Please feel free to contact the Board at (608) 266-7166 or by email at DORMiningBoard@revenue.wi.gov, with any questions.
