## Instructions for Form 4H

### General Instructions

#### Purpose of Form 4H

A corporation that has been completely inactive **both in and outside Wisconsin** for an entire taxable year may file Form 4H instead of filing a corporate franchise or income tax return. Thereafter, the corporation need not file a corporate franchise or income tax return or Form 4H for any subsequent year unless requested to do so by the Department of Revenue or unless, in a subsequent year, the corporation is activated or reactivated.

**Note:** By filing Form 4H, a corporation is relieved of the requirement to file an annual franchise or income tax return with the Department of Revenue. This exemption **does not extend** to reports required by other agencies. In order for the corporation to continue in good standing, it must continue to file a Wisconsin Corporation Annual Report each year with the Corporations Bureau, Division of Corporate and Consumer Services, Wisconsin Department of Financial Institutions. Failure to file this report within a specified period of time may subject the corporation to administrative dissolution.

#### Who May Not File Form 4H

A corporation must file a corporate franchise or income tax return instead of Form 4H in **either** of the following cases:

- The corporation's balance sheet for the end of the taxable year differs from its balance sheet for the beginning of the taxable year.
- The corporation liquidates during the taxable year.

#### When to File

File Form 4H on or before the 15th day of the third month following the close of the taxable year. Any extension of time allowed by either the Internal Revenue Service or the Department of Revenue to file your return extends the due date for filing Form 4H, provided you check line C, enter the extended due date, and attach a copy of your extension to Form 4H. If Form 4H is not filed on or before the due date or extended due date, a \$30 late filing fee applies.

### Specific Instructions

#### Balance Sheets

Complete the balance sheets for the first day and last day of the taxable year as indicated at the top of Form 4H. If the corporation had no assets or liabilities and capital on either the first day or the last day of the taxable year, enter zero (0) on line 14 and on line 27.

#### Signature on Form 4H

The corporation president must sign Form 4H if the president is a resident of Wisconsin. Otherwise, another officer who is a Wisconsin resident should sign Form 4H. If none of the officers are residents of Wisconsin, Form 4H may be signed by any duly authorized officer.
