

Instructions for 2024 Schedule CM

Purpose of Schedule CM

Use Schedule CM to claim the community rehabilitation program credit. The credit must be claimed within four years of the unextended due date of the return.

Who is Eligible to Claim the Credit

Any individual, estate or trust, partnership, limited liability company (LLC), corporation, tax-option (S) corporation, or tax exempt organization that enters into a contract with a community rehabilitation program to have the program perform work for the entity may be eligible for the credit.

Partnerships, LLCs treated as partnerships, and tax-option (S) corporations cannot claim the credit; instead, the credit flows through to the partners, members, or shareholders based on their ownership interests.

Estates and trusts share the credit with their beneficiaries in proportion to the income allocable to each.

Credit is Income

The credit that you compute on Schedule CM is income and must be reported on your Wisconsin franchise or income tax return in the year computed. This is true even if you cannot use the full amount of a credit computed this year to offset tax liability for this year and must carry part or all of it forward to future years.

Carryover of Unused Credit

The community rehabilitation program credit is nonrefundable. Any unused credit may be carried forward for 15 years. If there is a reorganization of a corporation claiming the community rehabilitation program credit, the limitations provided by Internal Revenue Code sec. 383 may apply to the carryover of any unused community rehabilitation program credit.

Definitions

“Community rehabilitation program” means a nonprofit entity, county, municipality, or state or federal agency that directly provides, or facilitates the provision of, vocational rehabilitation services to individuals who have disabilities to maximize the employment opportunities, including career advancement, of such individuals.

“Vocational rehabilitation services” includes education, training, employment, counseling, therapy, placement, and case management.

“Work” includes production, packaging, assembly, food service, custodial service, clerical service, and other commercial activities that improve employment opportunities for individuals who have disabilities.

Specific Instructions

Caution: Before completing Part I, you must first have the community rehabilitation program complete Part II. Prior to giving Schedule CM to the community rehabilitation program, fill in entity name on line 2 and taxable year on line 3 of Part II. No credit is allowable unless Part II is completed by the community rehabilitation program.

If you are claiming the credit based on payments for work performed by more than one community rehabilitation program, a separate Schedule CM must be completed for each. Part II must be completed by each community rehabilitation program for which the credit is being claimed. Complete only lines 1 and 2 of Part I for each additional community rehabilitation program. The amount from line 2 of each additional Schedule CM should be included on line 3 of your first Schedule CM.

Part I Instructions

Line 1. Enter the amount paid in the taxable year to a community rehabilitation program to perform work for your business. This is generally the amount from line 6 of Part II if that amount was paid during the taxable year. However, do not enter more than \$500,000 paid for work performed by a community rehabilitation program.

Line 3. If you paid an amount to more than one community rehabilitation program to perform work for your business, fill in the amount from line 2 of any additional Schedules CM.

Line 4. Enter the amount of community rehabilitation program credit passed through from tax-option (S) corporations, partnerships, LLCs treated as partnerships, estates, or trusts. The pass-through credit is shown on Schedule 5K-1 for shareholders of tax-option (S) corporations, Schedule 3K-1 for partners and LLC members, and Schedule 2K-1 for beneficiaries of estates or trusts.

Line 5. Add lines 2, 3, and 4d. This is your 2024 credit.

Line 5a. *Fiduciaries* – Prorate the credit from line 5 between the entity and its beneficiaries in proportion to the income allocable to each. Show the beneficiaries' portion of the credit on line 5a. Show the credit for each beneficiary on Schedule 2K-1.

Line 5b. *Fiduciaries* – Subtract line 5a from line 5. This is the estate's or trust's portion of the credit. Enter the amount of credit from line 5b on the appropriate line of Schedule CR.

- Tax-option (S) corporations, partnerships, and LLCs treated as partnerships should prorate the amount of credit on line 5 among the shareholders, partners, or members based on their ownership interest. Show the credit for each shareholder on Schedule 5K-1 and for each partner or member on Schedule 3K-1.
- Fiduciaries who file Form 2 must complete lines 5a and 5b.

Line 7. Add lines 5 and 6 (lines 5b and 6 if fiduciary). Enter the amount of credit from line 7 on the appropriate line of Schedule CR. See the following exceptions:

- If the claimant is a combined group member, enter the amount of credit on Form 6, Part V, line 1 instead of Schedule CR.

Part II Instructions

The community rehabilitation program must complete Part II to verify that the claimant has entered a contract with a community rehabilitation program and that the program has received payment from the claimant for work provided by the program.
