

Form WQOF Instructions

Purpose of Form WQOF

[2019 Wisconsin Act 136](#) created a capital gain exclusion for certain taxpayers that invest in a Wisconsin qualified opportunity fund (WQOF). A fund uses Form WQOF to certify to the department and its investors that it qualifies as a WQOF for the fund's taxable year.

Due Date

Form WQOF must be filed annually with the department and must be furnished annually to each investor by the due date, including extensions, of the fund's corresponding income or franchise tax return. A fund files Form WQOF with the department by including it with the fund's income or franchise tax return.

Line 1 Check the appropriate box to indicate what type of taxpayer you are.

Line 2 Check "Yes" if you are a Qualified Opportunity Fund (QOF) as defined in sec. [1400Z-2\(d\)\(1\)](#), Internal Revenue Code, which provides:

The term "qualified opportunity fund" means any investment vehicle which is organized as a corporation or a partnership for the purpose of investing in qualified opportunity zone property (other than another qualified opportunity fund) that holds at least 90 percent of its assets in qualified opportunity zone property, determined by the average of the percentage of qualified opportunity zone property held in the fund as measured:

If you are not a QOF for federal purposes, DO NOT file Form WQOF.

Line 3 Check "Yes" if this is the first period you are a QOF for federal purposes and enter the first month in which you choose to be a QOF for federal purposes.

Check "No" if you have certified in a prior year that you are a QOF for federal purposes.

Line 4 If you answered "No" on line 3, enter the value of Wisconsin qualified opportunity zone property (see definition above) held by the QOF on the last day of the first 6-month period of the tax year.

Examples

Example 1

A new partnership forms in January of 2024 and chooses April of 2024 to be its first month as a QOF for federal purposes. The first 6-month period ends on September 30, 2024. The value of the partnership's assets is shown below.

Table 1	September 30, 2024	December 31, 2024
WI qualified opportunity zone property	\$ 89,500	\$104,500
Total value of all the fund's assets	\$100,000	\$110,000

The partnership enters the following amounts on Form WQOF:

Table 2	Amount	Calculations
Line 4	\$ 89,500	
Line 5	\$100,000	
Line 6	0.90	$89,500 / 100,000 = 0.895$ (round to two decimal places = 0.90)
Line 7	\$104,500	
Line 8	\$110,000	
Line 9	0.95	$104,500 / 110,000 = 0.95$
Line 10	1.85	$0.90 + 0.95 = 1.85$
Line 11	0.93	$1.85 / 2.0 = 0.925$ (round to two decimal places = 0.93)

Example 2

The facts are the same as example 1, but the partnership chooses July of 2024 to be its first month as a QOF for federal purposes. Since the first 6-month period ends on December 31, 2024, the 6 months from January through June are not considered. The partnership leaves lines 4, 5, and 6 blank and enters the following amounts on Form WQOF:

Table 3	Amount	Calculations
Line 7	\$104,500	
Line 8	\$110,000	
Line 9	0.95	$104,500 / 110,000 = 0.95$
Line 10	0.95	
Line 11	0.95
