- Each municipality's SOA is completed after the Board of Review and includes any changes made to the locally assessed values, under state law (sec. 70.53, Wis. Stats.)
- The Wisconsin Department of Revenue (DOR) merges the locally assessed values with the state assessed manufacturing values
- DOR provides the information regarding district names and codes. If a district is not listed, contact DOR.

**Note:** If you submit an amended SOA to DOR after your municipality's SOA is equated and posted to our website, we will process the SOA. However, DOR will not recalculate the aggregate ratio or update the final SOA posted on our website. You should use the corrected values to calculate your tax rates.

- Each municipality's SOA is completed after the Board of Review and includes any changes made to the locally assessed values, under state law (sec. 70.53, Wis. Stats.)
- The Wisconsin Department of Revenue (DOR) merges the locally assessed values with the state assessed manufacturing values
- DOR provides the information regarding district names and codes. If a district is not listed, contact DOR.

**Note:** If you submit an amended SOA to DOR after your municipality's SOA is equated and posted to our website, we will process the SOA. However, DOR will not recalculate the aggregate ratio or update the final SOA posted on our website. You should use the corrected values to calculate your tax rates.
